

Connected Parents = Empowered Kids

Self Awareness is your best strategy to becoming your own Parenting Expert

Join Dr. Adam Benson and Rev. Jody Lotito-Levine to learn an integrative approach to parenting.

Let's Connect

It is our belief that we are all born with a natural wisdom inside of us. As we grow many of us lose touch with this intuitive knowing in our efforts to feel safe and adapt to our surroundings. Being reconnected to that wisdom is your best path to healthy parenting.
